**2024 LAWN MOWER CLINIC**
**AGRICULTURAL SYSTEMS MANAGEMENT CLUB**

Spring is just around the corner, and it is time to start thinking about getting your push mower ready, so it is in peak condition for the long mowing season ahead! Agricultural Systems Management Club at The Ohio State University will be holding their annual Lawn Mower Clinic to provide preventative maintenance service to your “push” lawnmower.

**Services include:**

- Oil Change
- Spark Plug Replacement
- Cleaning under the mower deck/pressure wash the mower
- Blade Sharpening

**The cost for all of this is only $50! We will accept cash or check.** Mowers must be in running condition to be serviced. We will not be providing additional repairs. If extra repair work is needed, our technicians will refer you to a local repair business.

**Drop-off** (590 Woody Hayes Drive)
Thursday, March 21st - Friday, March 22nd
Times: 7:30am - 9:30am and 4:00pm - 6:00pm

Saturday, March 23rd
Time: 9:00am - 11:00am

**Pick-up** (590 Woody Hayes Drive)
Monday, March 25th - Tuesday, March 26th
