

## Commercial Roofing Estimator

The ideal candidate will have a 4-year degree in Construction Systems Management or two years in their field plus two years experience with commercial roofing systems. The candidate must be knowledgeable and proficient with estimating EPDM, TPO, PVC and Metal roof systems.

Day-to-day responsibilities will include:

- Qualifying all commercial jobs from the B/X and McGraw Hill-Dodge reports
- Estimating all qualified leads and generating quotes for our sales staff/customer base

Compensation will be based on experience. Hours: Monday-Friday. 25-40 hours per week.

Candidates must apply in-person at:

ABC Supply #403

2660 Winchester Pike

Columbus, OH 43232
