

# Project Manager

Self-performing finish trade contractor looking for a career minded individual to work with our operations team as Project Manager to oversee and manage multiple commercial projects.

The project manager will be responsible to organize, oversee and manage projects from start to finish ensuring that each project is completed safely, on time, within budgetary constraints and to the satisfaction of the client.

Must have good understanding of construction drawings, specifications and finish schedule, the schedule of values, change order requests and the project related contractual process. Must be task oriented, have a sense of urgency and be good at working with deadlines in a fast-paced construction environment. The ideal candidate will have excellent communication skills both verbal and written, computer experience including Office 365 and good organizational and critical thinking skills. Experienced project managers and experienced tradespersons are encouraged to apply.

Excellent opportunity to grow with an established and respected Columbus company. Full benefits, top pay. Learn about us at [www.MartinPainting.com](http://www.MartinPainting.com)
