

Breaking through Barriers

OSU Women in Engineering (WiE) in conjunction with the AAUW Columbus Chapter presents:

Laura Stepp
Director of Development
AAUW, Washington D.C.

A dialogue with OSU Women Faculty and Graduate Students. Laura Stepp, National Director of Development for AAUW to speak about AAUW funding and initiatives including scholarship opportunities for women, research and community grants, getting involved in your local AAUW chapter and much more..

AAUW SUPPORTS FEMALE FACULTY AND STUDENTS

In the classroom...

- ♦ \$4 million dollars to graduate fellowships, grants, campus project support, and undergrad scholarships.
- ♦ Research on women and girls in STEM, gender pay gap, sexual harassment, cyber bullying and other diverse topics.

On campus...

- ♦ Developing leaders and training women for political office and salary negotiation.
- ♦ Enforcing Title IX and providing grants for projects fighting sexual assault and discrimination.

In the courtroom...

- ♦ Support for plaintiffs in gender based educational and employment discrimination cases.

On Capitol Hill...

- ♦ Advocating on issues like unfair pay, gender discrimination, Social Security, education, and women's health care.
