### 1. OSU Campus Parc Fundraiser

Only 2 people have expressed interest, so we're going to say no to doing it as a group.

### 2. ASABE grad student chapter

Brittany will head up, and ASABE meetings will be joint with GSO

Paperwork: submit form, Ohio chapter has to sign off on us being a chapter

### 3. Career development grant--\$350

These are easy to get, and can be for many things (conference, new clothes for interviewing etc)

Also check out the Ray Travel Award

For both, we are in the application period for Funding Period #2 - Spring

Application deadline: November 7, 2014

Expense dates: January 12, 2015 - June 5, 2015

Both found at: <http://cgs.osu.edu/funding/>

4. Welcome to all the new students! Orientation is happening as I type. I think 17 is the total, including those who joined us in the winter.

5. A welcome back party was originally scheduled for mid September, but has been cancelled due to too many schedule conflicts.
